

## Certara Announces Proposed Public Offering of Common Stock

September 3, 2021

PRINCETON, N.J., Sept. 03, 2021 (GLOBE NEWSWIRE) -- Certara, Inc. (Nasdaq: CERT), a global leader in biosimulation, today announced a proposed underwritten public offering of 20,000,000 shares of its common stock pursuant to a registration statement filed with the Securities and Exchange Commission. Certara is offering 4,500,000 shares of common stock and certain selling stockholders are offering 15,500,000 shares of common stock in the offering. Additionally, the selling stockholders intend to grant the underwriters a 30-day option to purchase up to 3,000,000 additional shares of common stock. Certara intends to use the net proceeds from shares it is selling in the offering for general corporate purposes, including acquisitions. Certara will not receive any proceeds from the sale of shares in the offering by the selling stockholders.

The offering is being made through an underwriting group led by Jefferies, Morgan Stanley and BofA Securities, who are acting as lead joint book-running managers.

A registration statement on Form S-1, including a prospectus, which is preliminary and subject to completion, relating to these securities has been filed with the Securities and Exchange Commission but has not yet become effective. These securities may not be sold, nor may offers to buy be accepted, prior to the time the registration statement becomes effective. This press release shall not constitute an offer to sell or a solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

The offering may be made only by means of a prospectus.
